

## **Join the Advocacy Committee of the Nonprofit Council**

### ***Advancing the Nonprofit Sector's Collective Voice***

The Advocacy Committee of the Nonprofit Council is dedicated to strengthening the nonprofit sector by advocating for policies that impact the community as a whole. This volunteer-driven group works to address the broader challenges faced by nonprofits across San Antonio, with an emphasis on improving public policy, enhancing collaboration, and building a more resilient sector.

#### **Why Join?**

- **Amplify Our Sector's Voice:** The Advocacy Committee ensures that the collective voice of nonprofits is heard at local, state, and federal levels.
- **Collaborate for Collective Impact:** By working together, we can influence policy and create a stronger, more unified nonprofit sector in San Antonio.
- **Strengthen Our Sector's Future:** The committee supports initiatives like the State of the Sector Report, which provides valuable insights into local trends and challenges affecting nonprofits.
- **Engage in High-Level Advocacy:** As part of the SA to DC delegation, committee members will have the opportunity to meet with national lawmakers and advocates, elevating the visibility of San Antonio's nonprofit needs.

#### **What We Do**

- The Advocacy Committee works on sector-wide issues that affect all nonprofits, from workforce development and policy reform to nonprofit funding and sustainability. This agnostic approach ensures that we focus on the big-picture challenges facing our sector as a whole.

#### **Recent accomplishments include:**

- **Policy Advocacy:** Engaging with lawmakers to push for policies that support the growth and sustainability of nonprofits in our region.
- **Sector Research:** Publishing the State of the Sector Report, a comprehensive look at the nonprofit landscape in San Antonio, which helps guide our advocacy efforts.
- **Strategic Partnerships:** Collaborating with initiatives like the SA to DC trip to take San Antonio's nonprofit priorities directly to Washington D.C. and push for federal support.

#### **How to Get Involved**

- As a member of the Nonprofit Council, you are eligible to join the Advocacy Committee and help drive meaningful change for the sector. Your expertise, insights, and involvement will directly influence the policies that affect nonprofits across our region.
